Technologies

Frontend

JavaScript, HTML5, CSS3,
jQuery, AngularJS, SASS,
Bootstrap, MDL

Backend

Ruby, Ruby on Rails, Node.js
(learning)

I'd like to learn

Angular 2, React

Bio

I'm a resarcher in ICT and a full stack developer with 4+ years of experience in Agile software development in Ruby on Rails. I developed web applications for

Work experience

- **Fondazione Bruno Kessler - ICT Research Centre**
Researcher, 2014 - present
Managed and actively involved in various software development projects for social good. Coordinated the writing of grant proposals (including FP7 and H2020). Conducted research work in ICT4D, Food Waste supply chain and Agile Software Development. Organized and conducted training in Mozambique and South Africa on Agile software development. Supervised students, junior developers as well as BS and MS theses in Computer Science.
- **University of Trento - Department of Cognitive Sciences**
Lecturer, 2016
Designed and taught a 15 hours course on modern web technologies for the technical personnel of the Department. Topics covered included advanced Javascript concepts, SASS, AngularJS and Ionic Framework basics.

Volunteering

- AFS Intercultural Programs (since 2002)
- Yomoyamabanashi (since 2007)

Fun fact

This resume was generated with [node-resume](#) and is also available in JSON format.

- **Belka s.r.l.**
Consulting Developer, 2015
Bootstrapped the development of a mobile application for peer-to-peer delivery using Ionic, Cordova and AngularJS. This included estimation of user stories and introduction of coding standards and best practices.
- **Fondazione Bruno Kessler and University of Trento**
PhD Student, 2010 - 2014
Full-time PhD student at the ICT Doctoral School of the University of Trento conducting work at Fondazione Bruno Kessler in ICT for Development, focusing on software development processes and project management for ICT4D projects.

Education

- 2010 - 2014
University of Trento - PhD in Information and Communication Technologies
- 2007 - 2010
University of Trento and Georgia Institute of Technology - MS Degree in Computer Science
- 2004 - 2007
University of Trento - BS Degree in Computer Science

Teaching

- 2016
University of Trento - Department of Cognitive Sciences
Advanced Javascript and client-side web frameworks
- 2011 - 2013
Maputo Living Lab
Summer School of ICTs and Summer School of Ruby on Rails
- 2010 - 2012
University of Trento - Department of Information Engineering and Computer Science
eGovernment Case Studies (part of the Professional Master of Technologies for eGovernment)
